Don't miss this opportunity to change your life forever! Believe in yourself! Find a way! Joe // PN

4Life CONVENTION 2006 / Zero Boundaries => Recap - EXCITEMENT !

- **Sherie Din / Gold International** - "Two years ago I came here and I had only been with the company for two weeks. Now, I'm here and I'm a Gold International. The only thing I can say helped me reach this position is the power of belief. I truly believe in my heart that this is one business that can change your life and the lives of people around you. With 4Life, there is no limit."

- **Juan Rosado / Platinum International** - "This opportunity is as big as you can see it. This is something personal. Don't look at what I have or what I want. Look inside of yourself, because the only thing that matters for you is your family. If you want to be free financially, educate yourself and be courageous. Put action behind this opportunity. This is not about products. Products don't move people. People move people."
- **Indra Virasinghe / Gold International** - "We sit on the crest of a giant tidal wave. We are like pebbles on a beach. If we toss ourselves out to sea, we will create little ripples that will grow into a massive tsunami. It comes down to attitude. What you say is not as important as what you think and how you say it ... Listen to see what's missing in a person's life, then approach him or her with what he or she needs."

4Life - A Philosophy of Principles and Integrity - Like a green, thriving tree, with branches that reach ever higher into the sunlit sky - but with roots that sink deep into the nutrient-rich earth - 4Life is dedicated to growth based on sound, deep-rooted principles. 4Life will continue its global expansion. It will press forward with its commitment to take Transfer Factor to the World. But 4Life will never abandon the principles of integrity, honesty and generosity that have brought it success in the past. It is the reason for its current success, and it is the force that will ensure its success in the future.

It is dedicated to on-going education and training of its partners - to coaching in financial, business and life success strategies - to partnering with them in the building of successful 4Life businesses - and to celebrating with them in the achievement of excellence - of success - of leadership - and of the pursuit of their full potential.
