4Life - A Philosophy of Principles and Integrity - Like a green, thriving tree, with branches that reach ever higher into the sunlit sky - but with roots that sink deep into the nutrient-rich earth - 4Life is dedicated to growth based on sound, deep-rooted principles. 4Life will continue its global expansion. It will press forward with its commitment to take Transfer Factor to the World. But 4Life will never abandon the principles of integrity, honesty and generosity that have brought it success in the past. It is the reason for its current success, and it is the force that will ensure its success in the future.
